REPORT OF SUPERINTENDENT.

To the citizens of Carroll:

Another year of school work has been accomplished, and we think in many respects it has been successful. Much might be said of the merits of each teacher, but we will not take up but little space. Will say our teachers have lost none of their vigor and earnestness, and that our young teachers who began with their first term have worked with all their might for the advancement of their pupils. I wish the parents would visit the schools more and see the work of their children; it would be a pleasure to them, and encourage the pupils also.

On account of sickness the roll of honor for the year is very small, not one being enrolled for the year. Those for two terms are as follows:

Edna Wells, Fabyans; Charlie Jobin, Twin primary; Ethel Hudson, Mabel Miles, Cherry Mt.; Martha Damon, Pine Grove.

A large number of pupils were on the roll of honor for one term but we will not give the names as it will take up so much space.

Let each citizen encourage in all ways the advancement of education. And in resigning this trust to your hands, let me express the hope that our schools may be a source of pride to all.

Most respectfully

MINNETTA BROWN
